

BENNETTE G. PRAKASH

Chennai, Tamil Nadu | +91 9176681613 | bennettegprakash@gmail.com

[LinkedIn](#) | [GitHub](#)

PROFILE

Aspiring Electronics and Communication Engineering student with a strong interest in PCB design, electrical circuit analysis, and a passion for Physics and Space science. Committed to continuous learning and applying technical skills in real-world engineering challenges.

EDUCATION

- B.E. in Electronics and Communication Engineering (ECE) - 2023 – Pursuing
 - Prince Shri Venkateshwara Padmavathy Engineering College
 - Current CGPA: 7.59
- BS in Electronic Systems (Dual Degree) - Ongoing
 - Indian Institute of Technology Madras (IIT-M)
- Schooling Completed - 2023
 - Army Public School

PROJECTS

IoT-based Posture Correction System for Prolonged Standing

- Designed a wearable solution to reduce pain and strain in lower extremities during extended standing.
- Focused on improving physical well-being and ergonomic efficiency through sensor-based feedback.

Wind Energy Conversion for Electric Vehicles

- Designed a system using wind turbines and electric generators to convert wind energy into electrical power for EV battery recharging.
- Proposed a compact turbine integration behind vehicle front grills to maintain original car aesthetics while optimizing energy capture.

CERTIFICATIONS

- VLSI-Design and Verification (June 2025 – December 2025)
- Proficiency in Microsoft Word, Excel, PowerPoint (Passport to Earning) – Completed Jan 2023
- LEAP: Certificate of Completion

INTERNSHIPS

1. Engineering Intern - May 2, 2025 – June 1, 2025
 - The Hindu Group Publishing Pvt Ltd
2. VLSI Design and Verification Intern June 2025 – December 2025
 - Taras Systems and Solutions
3. Rocket Design Intern September 1 – November 30, 2024
 - Feynman Aerospace

TECHNICAL SKILLS

Programming Languages: C, Verilog HDL, System Verilog, Java, Linux, MySQL

Modelling/Simulation Software: AutoCAD, Open Rocket, LTspice/PSpice

ADDITIONAL INFORMATION

State Level National Talent Search Examination 2020-2021 (Total Score: 117)

Languages: English (RWS), Hindi (RWS), Tamil (RS)
